The Friends of the Lemont Public Library is offering a \$500 scholarship to high school seniors who live in the library district. This year's essay of 500 words or less poses the question: Why don't teens use their Library more today and how would you get them in to the library to use it more? Tell us your answer and thoughts in your essay. Interested seniors may pick up an application at the library's front desk. The deadline for returning essays and applications is Monday, April 19th by 9:00 p.m. The winner will be announced in May.
