

Decennial Committee on Local Government Efficiency Act

In June of 2022, Governor Pritzker signed the Decennial Committee on Local Government Efficiency Act (50 ILCS 70/1-99) into law. This act mandates that local governmental agencies (or most entities that levy taxes) convene a committee to study local efficiencies and create and file with the county board a report for the County with any potential recommendations for improving your local government's efficiency. So, Lemont Public Library District needs your help. The committee must have at least two volunteers from the library district to join this committee and work with the board to evaluate and potentially improve LPLD's efficiency.

Potential members will need to:

- Attend at least three meetings in the next 18 months.
- Help LPLD staff and the board create a report of the findings.

Resident committee members must be Lemont Public Library District residents, but you do not need to have a library card or be a regular patron to join this committee. Residents of any age may apply to join the committee and work with the Board of Trustees to make the library a better place.

If you would like to serve on this committee, please reach out to the LPLD Assistant Director, Mary Golden at mgolden@lemontlibrary.org or call 630-257-6541

We look forward to working together!
